Эту статью или раздел следует развить/дополнить

Эта статья **выглядит как** или даже является копипастой из **википедии**. Здесь полностью отсутствуют **лulзы**, описание **драм** и прочие **ништяки**, зато показана **значимость™** статьи, а также присутствуют **нейтральная точка зрения™** и унылая списокота, или в ней много **узкоспециализированной** информации сомнительной ценности и энциклопедических терминов. Необходимо срочно привести статью в удобоваримый вид, пока не случилось **страшное**.

Основная статья: ***Project Chanology***

Краткое содержание

Проект «**Анонимный Справочник**» обеспечивает резервное дублирование важной для **Project Chanology** информации. Данная страница с контактной информацией — адресами ячеек **Project Chanology**, сайтов и каналов IRC локальных анонимных отделений — скопипастена в поддерживающие **Project Chanology** вики-энциклопедии — всего более двадцати.

ВНИМАНИЕ! Прежде чем редактировать эту страницу, полуркайте и постарайтесь понять, как работает «**Анонимный Справочник**». Данная версия должна соответствовать **исходному источнику**. Копипаста в других вики-энциклопедиях должна изменяться только в соответствии с ним.

Децентрализация

Суть всей затеи — децентрализация.

Каждое локальное анонимное отделение должно иметь собственные:

- Сайт
- Канал **SP-IRC**
- Адрес электронной почты
- Резервный канал IRC на EFnet, Freenode или любой другой сети IRC

Updates

- Primary and alternate wikis will be designated as sources for updates.
- If you want to update your local chapter's info, do it at the **Primary Update Source**.
- If the Primary Update Source is down for any reason, use the **Secondary Update Source** instead.
- Whenever you make an update, also update the **version** info.
- Someone at each wiki will have to monitor the Primary Update Source regularly and watch for any updates (Ctrl + C, Ctrl + P).

Version

The current version of this page was updated on Saturday, May 3, 2008, at 8:07PM Hawaii Standard Time, GMT -10.

Message from Autonomist

Hello Scottish Anonymous!

This is Autonomist from Edinburgh.

There is a large [anarchist](#) community in Edinburgh, and we would love to share skills and information with Scottish Anonymous.

We are very well informed about Scottish law, and could give you all a legal briefing on your rights when protesting. Many of us have been involved in anti-road/anti-nuclear/anti-war activities, and we all hate organised religions like Scientology.

We are very good at direct action IRL.

Please let us know what you are up to in Edinburgh via [indymedia scotland](#)

We plan to join your demonstration!

Solidarity,

Autonomist
